OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE,

No 814/65

Bangalore, 21st July 1911

From

J WEIR, ESQ, M A,

Inspector General of Education in Mysore

To

C S Balasundaram Iyer, Esq , B A ,

Offg Secretary to the Government of H H the Maharaja of Mysore, General and Revenue Departments, Bangalore

SIR,

I have the honour to recommend that, as an experimental measure, an Anglo-Vernacular School be opened at Talkad tentatively for a period of two years The inhabitants of the Village are keen for English Education and offered to pay 2/3 of the cost if the District Board paid the other third The District Board resolved at a meeting held on 12th August 1910 that the Government be moved to open an Anglo-Vernacular School The Deputy Commissioner, Mysore District in forwarding the resolution of the Board with his recommendation states thatone Mr Sivabasavadevaru, a Sahukar of the place has come forward to get a new School room added on to the existing building at his own cost if English is taught there

2 The Inspector of Schools, Mysore Circle reports that the place deserves an Anglo-Vernacular School as the people are willing to pay the following scale of fees --

Infant classes		0	III A V	Class	1-0-0
I	Vernacular Class	0	IV	do	1-4-0
II	do	0	V	do	1-8-0
I A V	Class	0--8--0			
II	do	0-12--0			

and as there are likely to be about 62 boys to learn English with a probable fee income of Rs 35/-

Under

3 Under the rules there are two ways of meeting this demand either by the people paying two-thirds of the cost of education, Government contributing the remaining third, or the Government transforming the existing Village Elementary School into an Anglo-Vernacular School

In the former alternative the fees go to the credit of the people to reimburse them for a part of their contribution In the latter the fees are received by the Government who provide the establishment. building et

5 I recommend the latter in the case, as at the outset the income from the fees is likely to cover the extra expenditure, the present and the proposed scale being as under ---

Present Establishment		Proposed Establishment	
1 Head Master	Rs 12/-	1 Head Master	Rs 20/-
4 Assistant Masters on Rs 10	Rs 40/-	1 English Assistant	Rs 15/-
1 peon	Rs 5/-	1 Assistant Master	Rs 12/-
House rent	Rs 5/-	4 Assistant Masters on Rs 10/-(at least)	Rs 40/-
Contingencies	8 annas	1 peon	Rs 5/-
		House rent	Rs 5/-
		Contingencies	Re 1/-
	Rs 62-8-0	Total	Rs 98/-

Probable increase Rs 36-8-0 or Rs 37/-

As the school grows in popularity it may even pay more than what the Government spend upon it This seems the better course from the point of view both of finance and of efficiency

I have the honour to be,

Sir,

Your most obedient servant

Inspector General

School. The D.P.I. recommends the latter alternative, as the income from fees in the English class is likely to cover the extra expenditure required and proposes a scale of establishment for the Anglo Ver. School at an extra cost of Rs 36-8-0 p.m.

3 Govt observe that where private people come forward with a contribution as in this case, it would be a retrograde step to make the English School purely a Govt institution they are therefore pleased to sanction the open... of an English class at Talkad on the principle of contribution The D.P.I. is requested to inform the petitioners accordingly

and apply for a grant-in-aid from Govt. equal the people's contribution have been collected and deposited into the Treasury.

and take such further action as may be necessary
